NATURAL GAS DEVELOPMENT

The first discovery of natural gas in the Province of Alberta, where it has been known to exist for many years, was made in 1912. At that time, a small amount of gas was discovered in the Peace River country, near the town of Peace River. It was not until 1914 that a large quantity of gas was discovered in the Peace River country, near the town of Peace River. It was not until 1914 that a large quantity of gas was discovered in the Peace River country, near the town of Peace River.

Rockyford News

John Johnson, who has been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

Mr. Fred Hoffman and family, who have been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

The many persons, who have been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

Mr. J. Brown, manager of Rockyford Hardware, who has been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

Mr. Fred Hoffman's wife, who has been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

The National Cattle Company, who has been spending for Christmas on Monday, returned to the New Year's holiday, with his old friends.

Mr. P. Fitching has started in the day business in Rockyford, and is now taking over the bar in the Spring. Mr. Fitching is a brother-in-law of Mr. Edward Wilson, our local Station Master. Mr. Fitching has been here for his family.

The Baseball Club have undertaken to give a dance on New Year's eve.

G. McCrean is back on the job after spending the holidays in Calgary.

Miss Carter is spending a couple of weeks with friends in Calgary during the season.

Mr. R. Roberts was a visitor in Calgary last week.

Mr. W. Freeman, of Ardmore, who is in Rockyford on business, was in the city on Monday.

U. F. A. ITS AIMS AND OBJECTS.

Continued from page 1

Strathmore local has the right intention to criticize the act of any of our public servants from President Wood down, but it must not forget its original purpose to secure the main body that its points are well known.

Now, while it is true that as an industrial body the U.F.A. are engaged politically only so far as legislation directly concerning their variation is concerned, yet beyond that in the broad and grand principles of the welfare of government farmers cannot move without the fullest cooperation of all men and the complete action of the G.W.V. The non-partisan nature of the U.F.A. is well known to all men, farmers, and the public.

The Grain Growers' Grain Company is strictly a commercial company, and its good service to its patrons and its honest dealing with the head office, as long as it does not get in our way, we have no criticism to offer. It is rather good from it all the advantages it may be able to give us in a commercial sense.

Strathmore Farmer's Coop Trading Co. went to destruction mainly because the shareholders took an interest in their meetings. They expected to get the other fellow to do the work for them and hand over the proceeds and then howled like stock pigs when they got stung.

Unable on account of ill health to leave the home at present I have not attended to my citizen's duties, but I have the greatest confidence in our district officers, and it is in spite of their efforts our local makes no mistake. It is the fault of no one but the farmers themselves who never attend a meeting or put forth a co-operative effort, but are always ready to blame and accuse the other fellow.

It is a mighty poor consolation to say "I serve them right" because they are the dead weight that retards the growth of democracy, as great a menace as the profiteers who seek only their own aggrandizement and enrichment regardless of all others to whom they are poorer slaves than themselves. Some other, etc., etc.

DANIEL P. BOESWAIN

Start the New Year Right

by subscribing for the Standard. It is a necessity for anyone living in the Western Bow Valley and will save you many times its cost in a year.

An Ideal New Year's Present

Remember your friends at the old home by ordering the Standard sent to them for a year. It will keep you in their minds each week in the year and will save you much letter writing.

Subscription per year \$1.50, U.S.A. and Foreign \$2.00

Subscriptions for the Standard can be sent direct to this office, or taken by the following agents:

CARSELAND — Rev. T. F. Lund or W. L. Brown.
CHEADLE — Mr. O. G. Craig.
NAMAKA — Mr. Mackenzie or Mr. R. M. Johnston.
DALEMEAD — Miss Walker.
NIGHTINGALE — Mr. Ray Prince.
KEOMA — Mr. Anger.
LANGDON — Mr. S. W. Wilson.

Strathmore & Bow Valley Standard

John Mackenzie, Proprietor.

Namaka Notes

On old year's eve a public dance was held in the L.O.O.F. hall when a large crowd of residents in the neighborhood participated. From eight to twelve the dance was kept going with great spirit and the whole company joined hands and welcomed the new year heartily singing "Auld Lang Syne."

A first class supper prepared by the Oddfellows and some of the ladies provided sustenance for the old year's eve.

A portable feature of the dance was the absence of well known patrons from neighboring towns, due to the fact that these places had also arranged dances for the occasion.

Among the attractive couples present were Miss E. G. Shindler and Miss Barwick of Calgary, Mr. and Mrs. J. E. Gies, Glenora and a party from Carleton.

Mr. and Mrs. C. W. Watson spent the week end in Calgary.

Talking of dances how would it be to have an old country supper and bump in honor of the birth of Robt. Burns. This should appeal to old country folks, but please don't all speak at once. Representatives of the "Clubs" might lead their presence from adjacent villages, and if a haggis grazed by a pipe could be arranged for, nothing would be wanting to complete a perfect "night" but a "wee haud."

This should appeal to "Scotty."

Miss Sim had a large house party over the holidays.

The U.F.W.A. met at Mrs. Sim's home on Saturday.

The U.F.A. meets on Wednesday in the school house at 2.30 p.m.

Harry Shindler is spending the "best" part of the winter in Calgary.

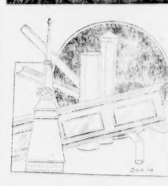

Mr. and Mrs. Bigger had a large party of friends in New Year's night to help dispose of the turkey, which was "done" to the satisfaction of all concerned.

CHANGE IN TRAIN TIMES

A change in train times comes into effect on January 18th. Train No. 1, going east, will arrive at 5:42 p.m. and train No. 2, going west, at 6:46 p.m. daily.

WEDDING.

Two young people of the district were united in marriage on Wednesday, Jan. 15, at 2 o'clock, at the residence of the bride's father, Mr. J. H. Jones, and her mother, Mrs. J. H. Jones. The ceremony was performed at Calgary by Rev. Geo. Magowan, following which the happy couple left on a short honeymoon tour. Both are well known in this district, the bride having been employed in the Post office for some time past, while the bridegroom has grown up on his father's farm two miles north of town. They have the best wishes of the community generally.

Local Holdings

A meeting will be held here on Saturday, January 15th, to discuss the Muncie Regulations, when Dr. Duffin, an official of the Department of Agriculture, will deliver an address.

The Anglican Ladies Aid are holding a White Dove in the dining room of the King Edward Hotel this evening.

From Dec. 1st, the Calgary Herald is undertaking an investigation for agricultural holdings.

The New Year moved in very quiet here. The only public event on New Year's Eve was the dance held by the C. W. A., which was fairly well attended and very enjoyable. There was not the sound of a whistle or a bell at midnight. The young sports are not so noisy as of yore.

The good weather still continues here, but the wind does not blow every day, and the weather varied considerably.

Thinking is very slowly completed throughout the district. The good weather of the past three weeks having given an opportunity to clean up. Large quantities of sheep feed are still being shipped out.

The strutting time on the north side of the track, started by Jimmy Stewart, is proving a fine attraction.

Residents of St. R. East Valley are vaccinated free now. Ages which will be of interest to parents require to be vaccinated. The vaccination can be found in our column. Many quality tests commendably active in this respect.

Tom Campbell's team for the horse is in town for the past two weeks. The horse is a very fine one, and he is a very good one for him often since he came here.

Nurse Williams, of Strathmore Hospital, showed her good will to giving a treat and Christmas tree to a large number of the children of the town on New Year's Day. Besides the children, a considerable number of parents were present, and the children enjoyed themselves greatly.

A son was born to Mr. and Mrs. J. B. King at Calgary on December 17th. Mrs. King is a daughter of Mr. and Mrs. F. R. Lilly.

Mr. Tom Crawford last week purchased Mr. Joe Deane's horse on Second Street. Mr. Deane is now located on his farm east of town.

Mr. C. J. Bowles, Thistle, was here on a visit this week because over his farm south of town.

Calves from the south country, besides being fed here, are sent to a large number of cattle, and in winter feed. The two Marston lines of Calves, shipped to the south, are now being fed here, which are now put on the Crawford place east of town.

Mr. and Mrs. Chas. O'Hara and family are at present staying at the King Edward Hotel.

Mr. W. M. Jones, had the pleasure to meet with an accident last week, falling down several steps at a hotel and is expected to be present in an accident on the 15th.

Mrs. A. Sted, Mr. Andra, Sena, and Miss Stevens of Montreal, Sask. were the guests of Mrs. E. Dobson last week.

As will be seen from ad. on another page, Mr. J. H. Brown is holding a special sale, commencing on Saturday of the week, at which the goods are great bargains. It will pay you to attend the sale, as it is held every week only, and there is bound to be a rush.

Says the "Broad's Bulletin": "We request that all notices in the Bulletin be paid immediately. Please do not make repeated issuing of accounts necessary."

There are people in Strathmore, as well as Brooks, who make repeated issuing of accounts necessary. It should be understood that printing is more of a manufacturing process than a retail one, and when a printer does a job he has to pay for his paper, labor, etc., almost immediately, and therefore cannot afford to give long credit. Accounts are due on the first of the month following that in which the ad. or job was contracted, and should be paid by the 15th of the same month. Subscribers should be paid in advance. We trust, therefore, that our customers will always pay up promptly. It is difficult for the editor to compose a better paper following on a contemplation of a depleted back book and a bunch of bills.

January Clean-Up

After the holidays comes the clean-up season and the following bargains should command your attention.

- 50 Men's Fur Band Caps, 25 per cent. off.
- 47 Pairs Felt Shoes, 25 per cent. off.
- 112 Boys Shirts, 25 per cent. off.
- 39 Pairs Gauntlet Gloves, 25 per cent. off.
- 22 Boys Pullover Sweaters, 25 per cent. off.
- 50 Boys Fur Band Caps, 25 per cent. off.

These discounts are for cash only.

Long Beach Items

D. L. Kelly took Christmas dinner at the Francis home.

The Anderson family took Christmas dinner at the Wagner home.

R. E. Sparks and family visited at the Drysdale home on Christmas day. Of course they also helped to eat the Christmas turkey.

Don't forget the annual school meeting at the school house 2 p.m. Saturday morning 2nd 1920.

Fred Brooks and Paul Hufsch spent last Sunday at the Paulsen home. Must be some attraction there.

Edgar Muir went to Calgary last Friday, he says he will drive a new Chevrolet back if the weather will permit.

E. A. Wagner spent last Sunday in Gleichen having the school books audited, he is getting things in shape for the annual meeting.

A. Anderson and family spent last Sunday visiting at the Win Peterson home.

Edgar and Nels kept the home fire burning.

Nearly every farmer and his wife attended the U.F.A. and U.F.W.A. meeting at Standard last Saturday.

If everyone would turn out to the Long Beach branch does, the Standard Locals would make a good showing and possibly Standard would stand some chance of being put on the map.

H. Fenske and Miss Zula Francis spent a few days in Calgary last week. Sidney Peterson, departed for Calgary last week, where he will attend school during the winter months.

Miss Agnes Anderson is spending the holidays at her home, she will return to Calgary shortly after New Year to finish her course of dress-making.

IN GREAT DEMAND

The portrait of the Prince of Wales that goes with the Family Herald and Weekly Star of Montreal is in great demand. It is certainly the best portrait of the Prince we have seen. The Family Herald is simply deluged with orders for new and old subscribers. The yearly subscription price, including the Prince's portrait is only \$1.25 if remitted for by January 15th, and is the best value offered anywhere. It is said the Family Herald's subscription receipts are more than double former years. It is certainly worth the price and should be in every home in this country.

Hervey Notes

Hervey Schoolroom was filled to overflowing Tuesday night last. The trustees and teacher must surely feel flattered at the response given to their Christmas closing exercises by the community. The children performed their parts in a most pleasing and graceful manner. Songs, recitations, stories, dances and a Christmas Stocking drill all followed one another in rapid succession and were exceedingly interesting and amusing. Mr. and Mrs. Lowrie gave their assistance to the completing of the program also Mr. Perry Kearns and Mrs. J. Macdonald or "Chasdie". Mrs. Lowrie certainly would grace any concert programme and we have never heard solos more required in better style. Mr. Kearns' solo and encores were beautifully rendered and much enjoyed. Mr. Macdonald is not well known for us to pass on his merits. At the close of the concert Santa made his appearance to the great delight of the children and after a dance around the platform distributed the gifts and candy from the tree to old and young. After the concert dancing was indulged in.

Mr. Harold Pate of Chasdie at the piano and the audience dispersed in the "new house" and all departed with the entertainment. The collection is for the purpose of lighting the school room which the trustees intend to do in an up-to-date manner.

Mr. Lageraft is up north on business. We certainly miss him from our midst.

Mrs. Sanderson took charge of the Staff School on Sunday last in Mr. Lageraft's absence, conducting the exercises and teaching the lesson. We are certain that it is not the first time Mrs. Sanderson has been in this position, for we have been informed that in her former P. E. Island home she was one of the foremost specialists in the Sunday School work.

Threshing is still going on in this district and Mr. Skeerist is kept on the move.

Mr. Johnson of the "Royal Bank" Calgary, Mr. James Sloan of McLeod Bros. Calgary and B. Stenroth Sanderson also of McLeod's and all returned war veterans spent the Christmas holiday at the teachers' residences.

Mr. Harry Robins a former teacher of Hervey is receiving a warm Xmas welcome from all his old friends.

There is a rumor that several of the farms here are changing hands. We certainly are sorry to lose our friends but will wish them every success whilst welcoming the new residents.

The following is the standing of Hervey School for month of December.

- Grade IX.
- 1st. equal Donald Mackay.
- Dorothy Kent.
- Grade VIII.
- 2nd. Howard Kent.
- Grade VI.
- 1st. Leonard Kent.
- 2nd. Nora Chamberlain.
- Grade IV.
- 1st. equal Kate Chamberlain.
- Jillie McKay.
- 2nd. Hills Skeerist.
- Primary.
- 1st. Leslie Kent.
- Greatest improvement: Frank Skeerist.
- Perfect attendance for term: Donald Mackay, Billy Skeerist.

Annual Meeting Report OF BERTA VALE SCHOOL

There was a good attendance and keen interest exhibited in the school affairs.

The Sec. Treas. Mr. B. Keene presented the financial statement for the year, which was felt to be very satisfactory and was unanimously adopted. Mr. Taylor was re-elected to fill the place of Mr. J. Bowman whose term as trustee expired.

The announcement of the Sec. Treas. that owing to having accepted a position as a bookkeeper he desired to resign at once, was received with expressions of regret it being unanimously felt that he had filled the office in a most satisfactory manner.

W. E. Mercer was duly elected to take his place. The trustees are desirous of making this school efficient as it is possible, with this view they have made arrangements for a ten months school term commencing Feb. 1st 1920 and they hope the parents of the children will render all assistance they can to accomplish this end.

W. E. MERCER, Sec. Treas.

Motor Trouble

Is often Electrical Troubles. These

are the ones which are the hardest to remedy. Don't be like the man in the top picture. You know how it feels. Try

And be one of the Happy Motorists
